Hi
Been a long time.
You look skinnier
and weaker than ever.
So how are you now?

You still want to live on?
Such a tiresome...
...lonely...
...and dreadful life.

You want to keep on living like this?
Let's talk about it. About death.
It's simple, it's real easy.
Throw everything away. Then it'll all be over.
Aren't you sick of it? Don't you wanna run away?
From this meaningless world you are living in.

I
want
to
die
Yes!!!
A good kid, you are!!!
And now-
Here's your present.
A good kid like you
deserves a present.
Shing
It's very easy.
It's nothing.

Easy… Slowly…
Very slow…
Put it in your neck.
NOW!!!
Stab!!

Waaaa

SAVE ME.

I DON'T WANT TO DIE.

Dinner's ready!
...Coming.
